

MEDICAL CAMP MANAGEMENT SYSTEM(MediCamp Pro)

Project Prototype & Documentation

A comprehensive full-stack web application for managing medical camps with role-based access control

PROJECT OVERVIEW

OBJECTIVE

To develop a comprehensive web-based medical camp management system that streamlines the process of organizing, managing, and tracking medical camps with role-based access control.

TARGET USERS

- Admin Users: Complete system management
- Regular Users: Camp discovery and registration

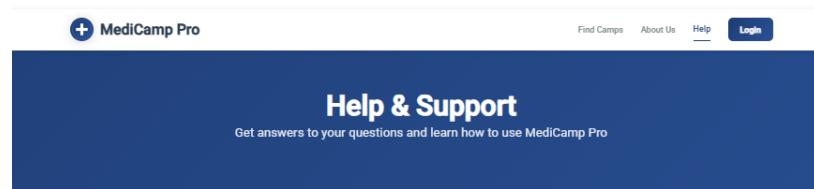

KEY FEATURES

- JWT Authentication with role-based access
- Medical camp discovery and filtering
- Online camp registration with seat management
- Profile management with image upload
- Admin dashboard with complete CRUD operations
- PDF export functionality for registration reports

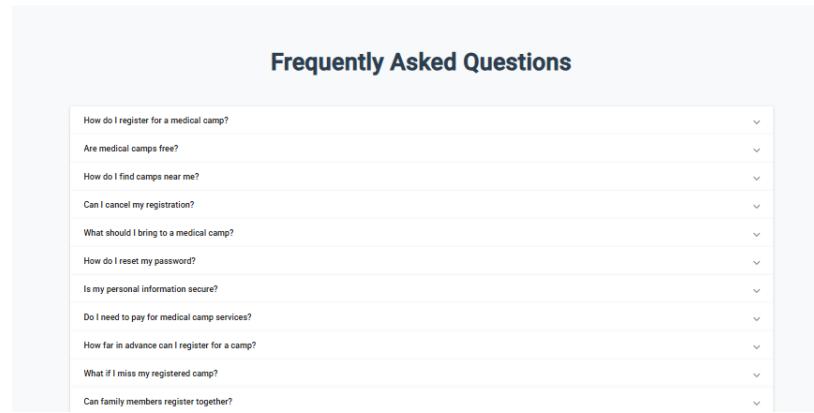

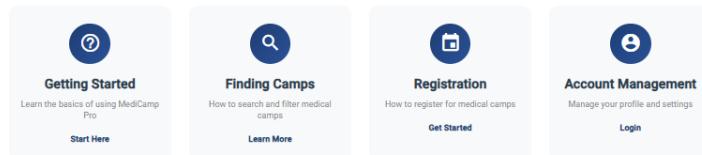

The screenshot shows the MediCamp Pro landing page. At the top, there's a dark blue header with the MediCamp Pro logo and navigation links for 'Find Camps', 'About Us', 'Help', and 'Login'. Below the header, a large dark blue section features the heading 'Find Medical Camps Near You' and a subtext 'Discover quality healthcare services in your community'. A 'Get Started Today' button is visible. The main content area has a white background with a section titled 'Why Choose MediCamp Pro?' containing three icons: 'Easy Search' (magnifying glass), 'Verified Camps' (checkmark), and 'Real-time Updates' (clock). Below this, another dark blue section asks 'Ready to Access Quality Healthcare?' and encourages users to 'Register Now' or 'Login'.

The screenshot shows the 'About MediCamp Pro' section of the website. It features a dark blue header with the MediCamp Pro logo and navigation links for 'Find Camps', 'About Us', 'Help', and 'Login'. The main content area has a white background with a section titled 'About MediCamp Pro' and the tagline 'Revolutionizing healthcare accessibility through technology'. Below this, there are three statistics: '10,000+ Patients Served', '500+ Medical Camps', and '50+ Healthcare Partners'. The 'Our Mission' section follows, which includes a paragraph about connecting communities with medical services and a statement about bridging the gap between providers and patients. The 'Our Values' section lists four core values: Compassion, Trust, Innovation, and Community, each accompanied by an icon and a brief description.

The screenshot shows the 'Our Impact' section of the website. It features a dark blue header with the MediCamp Pro logo and navigation links for 'Find Camps', 'About Us', 'Help', and 'Login'. The main content area has a white background with three categories: 'Quality Care' (represented by a shield icon), 'Accessibility' (represented by a person icon), and 'Growth' (represented by an upward arrow icon). Each category has a brief description: 'Quality Care' states that all medical camps are staffed by certified healthcare professionals; 'Accessibility' states that services are provided directly to underserved communities; and 'Growth' states that the network is expanding across the region. Below this, a dark blue section encourages users to 'Join Our Mission' with the tagline 'Be part of the healthcare revolution. Together, we can make quality healthcare accessible to everyone.' and two buttons: 'Get Started' and 'Learn More'.

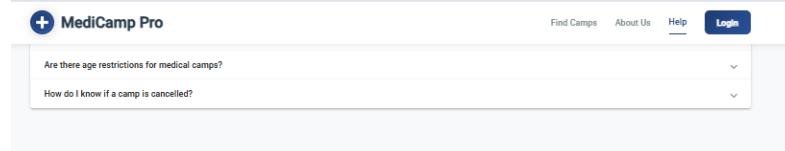

The page features a dark blue header bar with the MediCamp Pro logo and navigation links for 'Find Camps', 'About Us', 'Help' (which is underlined), and 'Login'. Below the header is a large dark blue section titled 'Help & Support' with the subtitle 'Get answers to your questions and learn how to use MediCamp Pro'.

Frequently Asked Questions

A list of frequently asked questions with dropdown arrows on the right side of each question:

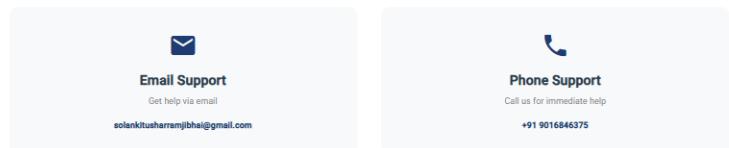

- How do I register for a medical camp?
- Are medical camps free?
- How do I find camps near me?
- Can I cancel my registration?
- What should I bring to a medical camp?
- How do I reset my password?
- Is my personal information secure?
- Do I need to pay for medical camp services?
- How far in advance can I register for a camp?
- What if I miss my registered camp?
- Can family members register together?

The same layout as the previous section, showing two questions with dropdown arrows:

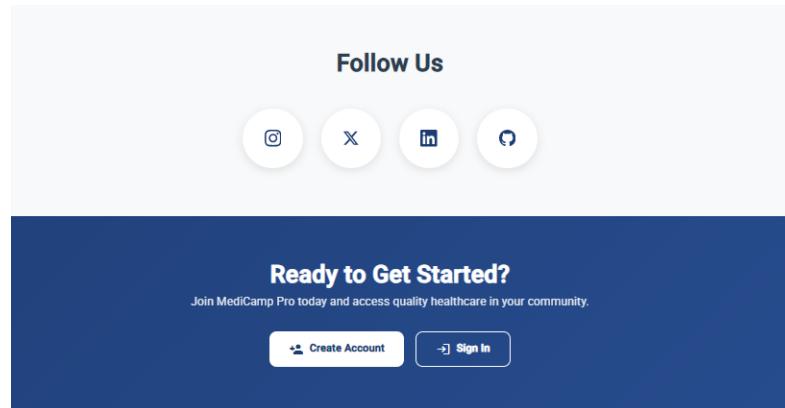

- Are there age restrictions for medical camps?
- How do I know if a camp is cancelled?

Still Need Help?

Two light gray rounded rectangular boxes:

- Email Support**: Get help via email. Includes an envelope icon and the email address solankituasharramjibhai@gmail.com.
- Phone Support**: Call us for immediate help. Includes a phone receiver icon and the phone number [+91 9016846375](tel:+919016846375).

Follow Us

Social media icons for Instagram, X (formerly Twitter), LinkedIn, and Facebook.

USER AUTHENTICATION SYSTEM

LOGIN FEATURES:

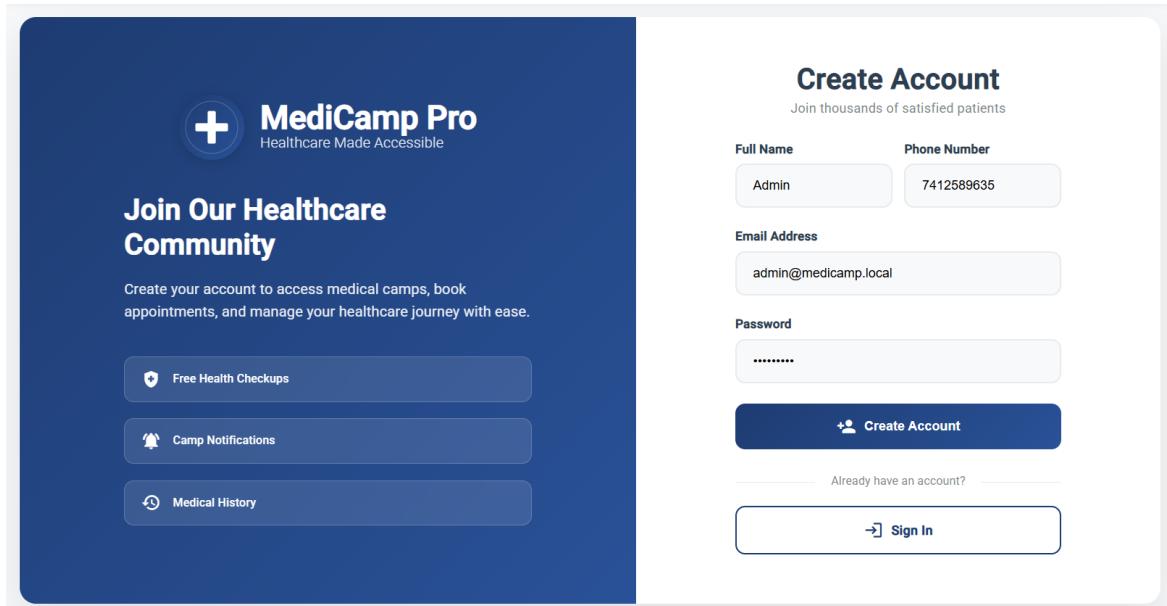

- Secure JWT token-based authentication
- Role-based access (Admin/User)
- Password validation
- Remember me functionality

The image displays the MediCamp Pro user interface. On the left, the homepage features a dark blue header with the MediCamp Pro logo (a white plus sign inside a blue circle) and the tagline "Healthcare Made Accessible". Below the header is a large white section with the heading "Welcome to Better Healthcare" and a subtext: "Join thousands of patients accessing quality medical care through our comprehensive camp management platform." Three call-to-action buttons are visible: "Verified Medical Professionals", "Easy Online Booking", and "Camps Near You". On the right, a separate window shows the "Sign In" page. It has a title "Sign In" and a subtitle "Access your healthcare dashboard". It includes fields for "Email Address" (containing "admin@medicamp.local") and "Password" (containing "*****"). A "Sign In" button with a right-pointing arrow is at the bottom. Below the sign-in form are links for "Forgot Password?", "New to MediCamp Pro?", and a "Create Account" button.

REGISTRATION FEATURES:

- User account creation
- Email validation
- Profile setup
- Automatic role assignment

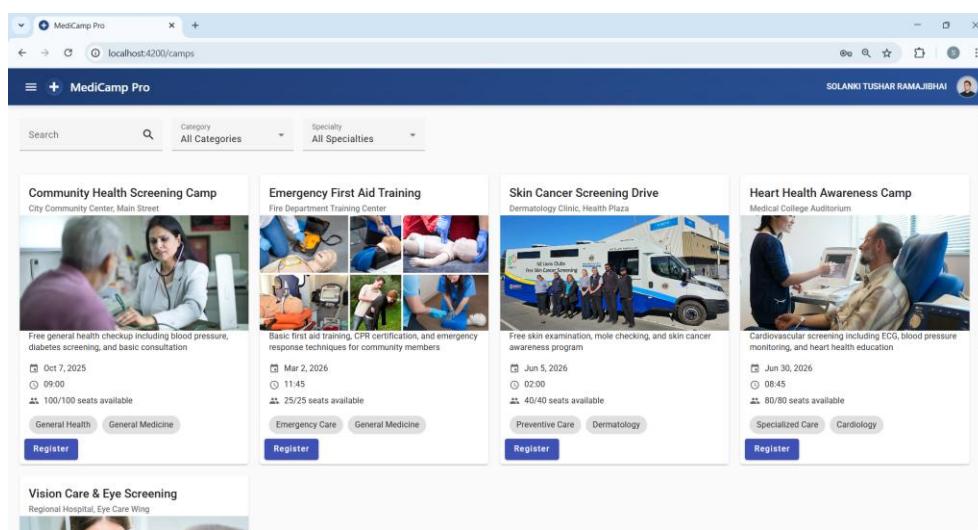

The image shows two side-by-side screenshots of the MediCamp Pro website. The left screenshot is the registration page, titled 'Create Account' with the subtext 'Join thousands of satisfied patients'. It features input fields for 'Full Name' (Admin), 'Phone Number' (7412589635), 'Email Address' (admin@medicamp.local), and 'Password' (*****). A 'Create Account' button with a user icon is at the bottom. Below it, a link says 'Already have an account?' and a 'Sign In' button is shown. The right screenshot is the landing page for new users, titled 'Join Our Healthcare Community'. It features a logo with a plus sign inside a circle, the text 'MediCamp Pro Healthcare Made Accessible', and a call-to-action button 'Join Now'. Below this are three service cards: 'Free Health Checkups', 'Camp Notifications', and 'Medical History'.

USER DASHBOARD

DASHBOARD FEATURES:

- Welcome message with user info
- Quick stats overview
- Recent camp registrations
- Upcoming camps preview
- Profile completion status

The image shows a screenshot of the MediCamp Pro dashboard. At the top, there's a search bar, category filters ('Category All Categories', 'Specialty All Specialties'), and a user profile for 'SOLANKI TUSHAR RAMAJIBHAI'. Below this, four camp cards are displayed: 'Community Health Screening Camp' (Oct 7, 2025, 09:00, 100/100 seats available, General Health, General Medicine, Register), 'Emergency First Aid Training' (Mar 2, 2026, 11:45, 25/25 seats available, Emergency Care, General Medicine, Register), 'Skin Cancer Screening Drive' (Jun 5, 2026, 02:00, 40/40 seats available, Preventive Care, Dermatology, Register), and 'Heart Health Awareness Camp' (Jun 30, 2026, 08:45, 80/80 seats available, Specialized Care, Cardiology, Register). A fifth camp card, 'Vision Care & Eye Screening', is partially visible at the bottom.

NAVIGATION MENU:

- Browse Camps
- My Registrations
- Profile Settings
- Change Password

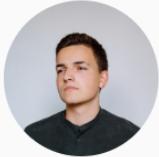

The screenshot shows the MediCamp Pro application interface. At the top, there's a header bar with the title 'MediCamp Pro' and a user profile section for 'SOLANKI TUSHAR RAMAJIBHAI'. Below the header is a navigation bar with 'Dashboard' and 'Medical Camps' selected. On the left, there's a sidebar with 'My Profile' and other navigation links. The main content area displays four medical camp cards:

- Emergency First Aid Training** at Fire Department Training Center. It shows a collage of images related to first aid training. Details: Date Mar 2, 2026, Time 11:45, Seats 25/25 available. Categories: Emergency Care, General Medicine. Action button: Register.
- Skin Cancer Screening Drive** at Dermatology Clinic, Health Plaza. It shows a group of people standing next to a white screening van. Details: Date Jun 5, 2026, Time 02:00, Seats 40/40 available. Categories: Preventive Care, Dermatology. Action button: Register.
- Heart Health Awareness Camp** at Medical College Auditorium. It shows a doctor examining a patient. Details: Date Jun 30, 2026, Time 08:45, Seats 80/80 available. Categories: Specialized Care, Cardiology. Action button: Register.

Registration Confirmed!

Hello SOLANKI TUSHAR RAMAJIBHAI,

Your registration for the medical camp has been confirmed. Here are your camp details:

Camp Details

Camp Name: Emergency First Aid Training
Date & Time: Monday, March 02, 2026 at 12:00 AM
Location: Fire Department Training Center

What to Bring:

- Valid government-issued ID
- Any relevant medical records
- List of current medications
- Insurance information (if applicable)

Important Reminders:

- Arrive 15 minutes early for check-in
- You'll receive updates if there are any changes
- Contact us if you need to cancel (24 hours notice preferred)

Thank you for choosing MediCamp Pro. We look forward to serving you!

USER PROFILE MANAGEMENT

ADMIN DASHBOARD

ADMIN OVERVIEW:

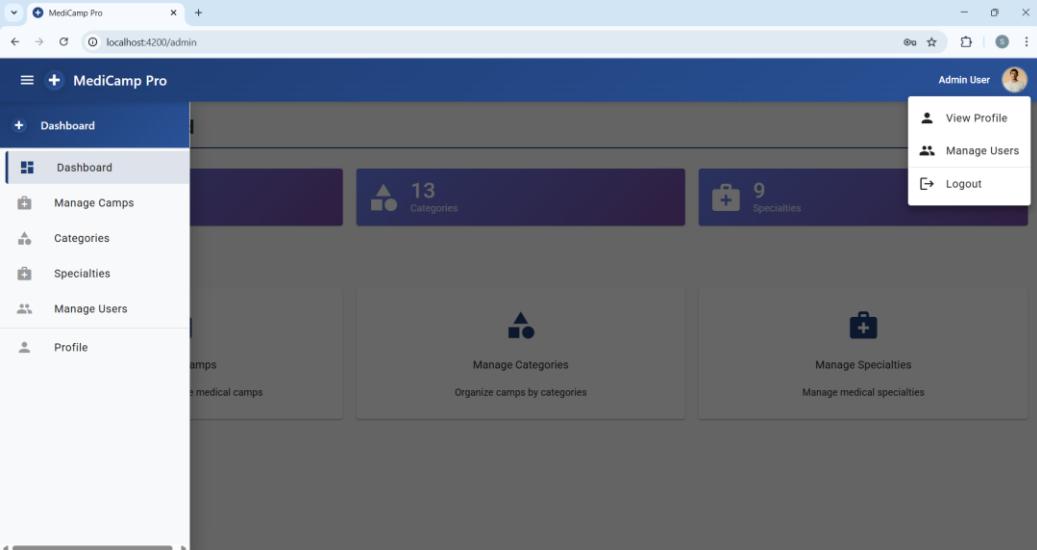

- System statistics
- Total camps, users, registrations
- Recent activities
- Quick action buttons

The screenshot shows the MediCamp Pro Admin Dashboard. At the top, there's a header bar with the MediCamp Pro logo, a navigation menu, and a user profile for "Admin User". Below the header is a section titled "Admin Dashboard" with three purple cards: "5 Total Camps", "13 Categories", and "9 Specialties". Underneath these cards is a "Quick Actions" section with three boxes: "Manage Camps" (Create, edit, and delete medical camps), "Manage Categories" (Organize camps by categories), and "Manage Specialties" (Manage medical specialties).

ADMIN CAPABILITIES:

- Complete system overview
- User management
- Camp management
- Registration monitoring

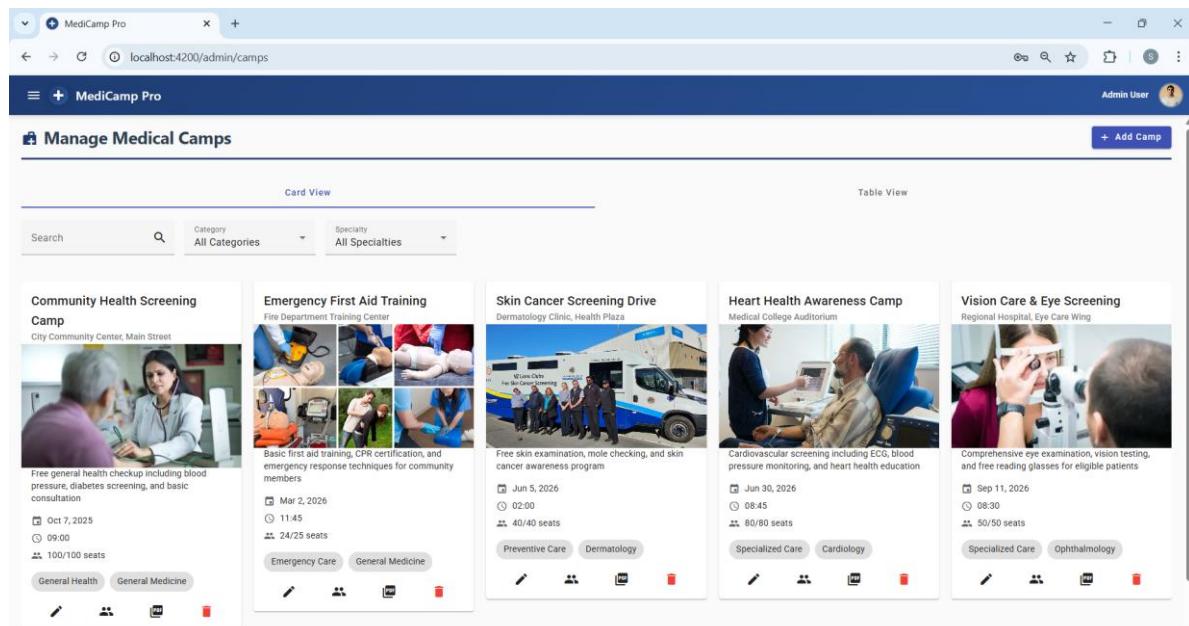

The screenshot shows the MediCamp Pro Admin Dashboard with a dark theme. On the left is a sidebar menu with options like "Dashboard", "Manage Camps", "Categories", "Specialties", "Manage Users", and "Profile". The main area displays the same dashboard components as the previous screenshot: "13 Categories", "9 Specialties", and "Manage Camps", "Manage Categories", "Manage Specialties" sections. A dropdown menu for the "Admin User" profile is open, showing "View Profile", "Manage Users", and "Logout".

CAMP MANAGEMENT SYSTEM

CAMP CRUD OPERATIONS:

- Create new medical camps
- Edit existing camp details
- Delete camps
- View camp registrations
- Export registration reports

CATEGORY & SPECIALTY MANAGEMENT

CATEGORY MANAGEMENT:

- Add new camp categories
- Edit existing categories
- Delete unused categories
- Category assignment to camps

The screenshot shows the MediCamp Pro Admin Categories page. On the left, there is a form titled "Add Category" with fields for "Name*" and "Description*". A "Create" button is at the bottom. On the right, there is a list of categories with edit and delete icons next to each entry. The categories listed are:

Category	Description	Action	
Eye Care	Eye examinations and vision tests		
Dental Care	Dental checkups and treatments		
Women's Health	Health services for women		
Child Health	Pediatric care, immunizations, and child development screening		
Senior Care	Healthcare services for elderly patients and age-related conditions		
Chronic Disease Management	Diabetes, hypertension, and long-term condition care		
Health Education	Awareness programs, health workshops, and community education		
Rehabilitation Services	Physical therapy, occupational therapy, and recovery programs		
General Health	Basic health services including routine checkups, preventive care, and general medical consultations for all age groups.		
Specialized Care	Focused medical services provided by specialists for specific health conditions and organ systems.		
Preventive Care	Health services aimed at preventing diseases and maintaining wellness through screenings, vaccinations, and health education.		
Emergency Care	Urgent medical services for acute conditions, first aid training, and emergency response preparedness.		
Pediatric Care	Medical services specifically designed for infants, children, and adolescents including growth monitoring and immunizations.		

SPECIALTY MANAGEMENT:

- Medical specialty creation
- Specialty editing
- Specialty assignment
- Specialty-based filtering

The screenshot shows a web application interface for managing medical specialties. At the top, there's a header bar with the MediCamp Pro logo, a search bar containing 'localhost:4200/admin/specialties', and user information for 'Admin User'. Below the header is a navigation bar with a 'Manage Specialties' link. The main content area is divided into two sections: 'Add Specialty' on the left and a list of existing specialties on the right.

Add Specialty

Name*
Description*

Create

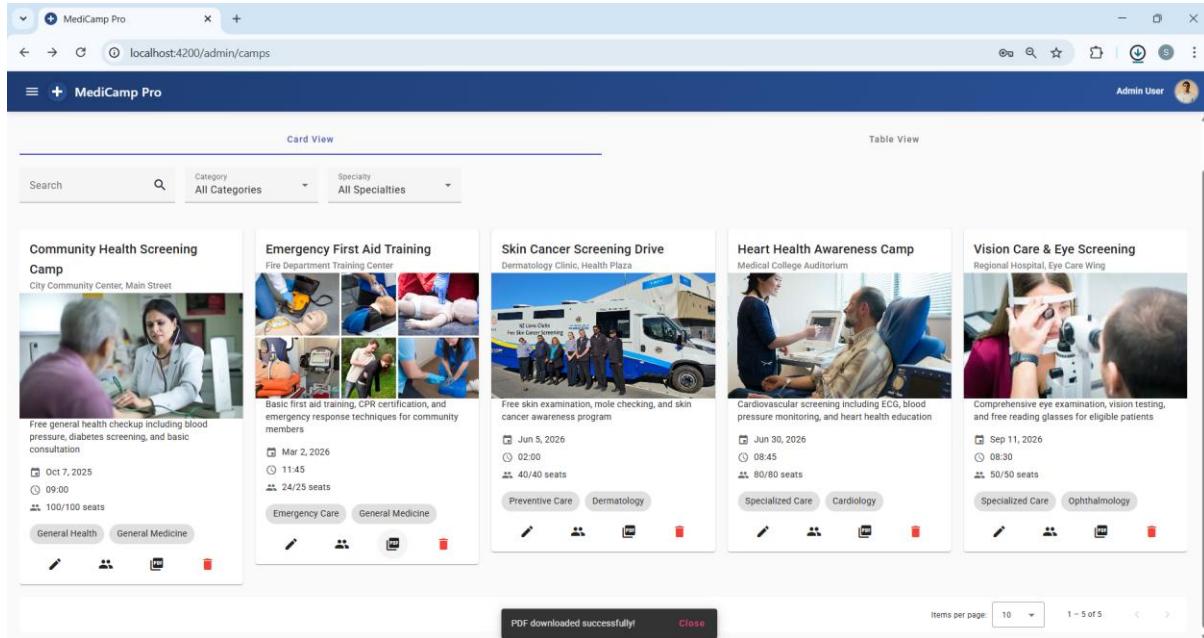

Specialties

Specialty	Description	Edit	Delete
Orthopedics	Bone, joint, and musculoskeletal disorders		
Neurology	Brain and nervous system disorders		
General Medicine	Primary healthcare services covering common medical conditions, routine health maintenance, and basic diagnostic procedures.		
Ophthalmology	Eye care services including vision testing, eye disease screening, and treatment of various eye conditions.		
Dentistry	Oral health services including dental examinations, cleanings, basic treatments, and oral health education.		
Gynecology	Women's reproductive health services including screenings, consultations, and preventive care for women's health issues.		
Pediatrics	Comprehensive healthcare services for children from birth through adolescence, including vaccinations and developmental assessments.		
Cardiology	Heart and cardiovascular system care including heart health screenings, blood pressure monitoring, and cardiac risk assessment.		
Dermatology	Skin health services including skin cancer screenings, treatment of skin conditions, and dermatological consultations.		

PDF EXPORT FUNCTIONALITY

EXPORT FEATURES:

- Registration reports generation
- Camp-wise participant lists
- Formatted PDF documents
- Download functionality

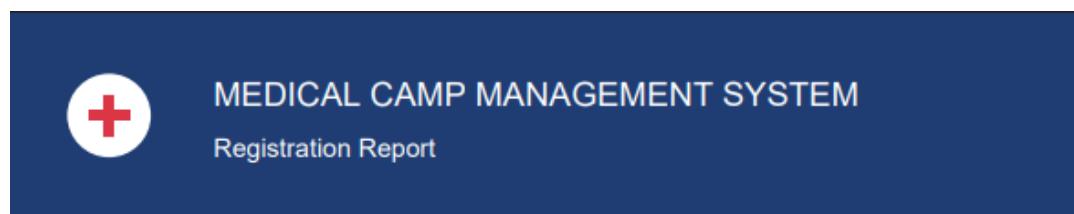

The screenshot shows the MediCamp Pro admin dashboard under the 'Admin User' profile. The main view displays five cards representing different health screening camps:

- Community Health Screening Camp**: Located at City Community Center, Main Street. Description: Free general health checkup including blood pressure, diabetes screening, and basic consultation. Date: Oct 7, 2025. Time: 09:00. Seats: 100/100 seats. Categories: General Health, General Medicine.
- Emergency First Aid Training**: Located at Fire Department Training Center. Description: Basic first aid training, CPR certification, and emergency response techniques for community members. Date: Mar 2, 2026. Time: 11:45. Seats: 24/25 seats. Categories: Emergency Care, General Medicine.
- Skin Cancer Screening Drive**: Located at Dermatology Clinic, Health Plaza. Description: Free skin examination, mole checking, and skin cancer awareness program. Date: Jun 5, 2026. Time: 02:00. Seats: 40/40 seats. Categories: Preventive Care, Dermatology.
- Heart Health Awareness Camp**: Located at Medical College Auditorium. Description: Cardiovascular screening including ECG, blood pressure monitoring, and heart health education. Date: Jun 30, 2026. Time: 08:45. Seats: 80/80 seats. Categories: Specialized Care, Cardiology.
- Vision Care & Eye Screening**: Located at Regional Hospital, Eye Care Wing. Description: Comprehensive eye examination, vision testing, and free reading glasses for eligible patients. Date: Sep 11, 2026. Time: 08:30. Seats: 50/50 seats. Categories: Specialized Care, Ophthalmology.

A message at the bottom center states "PDF downloaded successfully!" with a "Close" button. The bottom right corner shows pagination controls: "Items per page: 10" and "1 - 5 of 5".

TECHNICAL ARCHITECTURE

BACKEND TECHNOLOGY:

- ASP.NET Core Web API (.NET 8)
- PostgreSQL Database
- Entity Framework Core
- JWT Authentication
- AutoMapper
- FluentValidation
- DinkToPdf

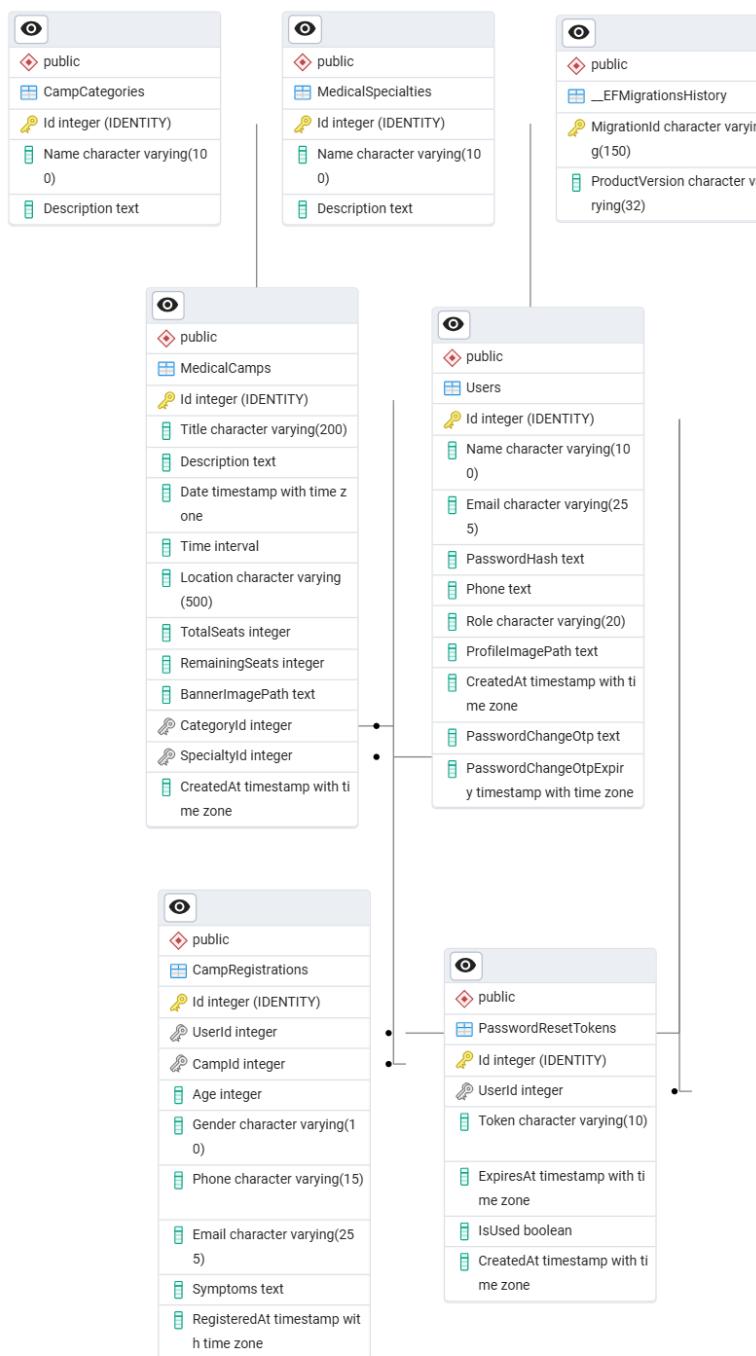

FRONTEND TECHNOLOGY:

- Angular 17
- TypeScript
- Angular Material UI
- Reactive Forms
- HTTP Interceptors
- Responsive Design

DATABASE DESIGN:

- Users table with roles
- Medical camps with categories
- Camp registrations
- Categories and specialties
- Password reset tokens

SECURITY IMPLEMENTATION

AUTHENTICATION & AUTHORIZATION:

- JWT token-based authentication
- Role-based access control
- Secure password hashing (BCrypt)
- Token expiration management

SECURITY MEASURES:

- Input validation
- SQL injection protection
- CORS configuration
- File upload security
- Password strength requirements

FUTURE ENHANCEMENTS

PLANNED FEATURES:

- SMS integration
- Mobile application
- Advanced reporting
- Payment integration
- Multi-language support

SCALABILITY IMPROVEMENTS:

- Cloud deployment
- Load balancing
- Caching implementation
- Performance optimization
- Microservices architecture

PROJECT CONCLUSION

The Medical Camp Management System successfully provides:

- Efficient camp management
- User-friendly interface
- Secure authentication
- Comprehensive admin controls
- Scalable architecture

TECHNOLOGIES MASTERED:

- Full-stack development
- Modern web frameworks
- Database design
- API development
- Security implementation
